## Drug Investigation Nets Large Seizure of Ecstasy

At approximately 6:00 AM on 10-16-09 officers with the West Lafayette Police Department arrested Christopher Song a 21 year old Purdue University student at 112 East Oak St in West Lafayette. During the arrest officers recovered 359 ecstasy pills with a street value of nearly \$6000.

Song was booked into the Tippecanoe County Jail on the following charges; Dealing in a Schedule I Controlled Substance (B Felony), Possession of a Controlled Substance (D Felony), Maintaining a Common Nuisance (D Felony), Possession of Marijuana (A Misd).

Song had been the focus of a two month investigation by the West Lafayette Narcotics Unit. We believe Song was a large source for those wishing to acquire ecstasy and believe that this arrest will make a significant impact on dangerous drugs in our community.
